Asst. Prof. Gary May

Dear Professor May:

Our file search has produced the documents listed below. They have been reviewed, and I have arranged them accordingly into three groups -- those released in full, as they were found in the files; those which are released in sanitized form; and those which have been found not releasable. Exemption (b)(3) is pursuant to the Director's statutory responsibility to protect intelligence sources and methods from unauthorized disclosure, under the National Security Act of 1947 and the CIA Act of 1949. Exemption (b)(6) concerns information from personnel, medical, and similar files, whose release would be an unwarranted invasion of a person's privacy.
